2. COMMUNICATION:

Receipt of your letter dated March 1, 2005 is hereby acknowledged. The Office apologizes for the delay in responding.

Please find attached several documents which may help you to understand the PCT process. As indicated in my letter of 16 November 2004, you must now take the necessary steps to enter the national phase. According to our records, you have until 20 December 2005 (20.12.2005) to enter the national phase in the designated countries of your choosing. I am also attaching a sample of instructions for entering the national phase which can be found at www.wipo.int under Activities and Services, Patent Cooperation Treaty, PCT Filing, Applicant's Guide, National Phase. In this case, the sample is for the United States Patent and Trademark Office. The Office strongly urges that you hire a registered patent agent to assist you with taking the necessary action to ensure that your invention is protected world-wide.

If you require further assistance, please do not hesitate to contact the undersigned.
